## Parable of The Sower

by Sharla Guenther

A farmer went out to plant his garden. As he was throwing the seed on the ground some fell on the hard path nearby and the birds came and ate them.

The next seeds fell near some rocks the farmer had in a pile nearby. There was not much dirt around the rocks so the seeds started to sprout and grow the next day. When seeds aren't planted in the dirt they don't grow roots which help them stay strong and wet, which help them grow properly.

So in the afternoon when the sun was very hot the little plants that started to grow among the rocks withered away and died because they had no root in the ground.

As the farmer continued to throw seeds onto the ground some of the seeds fell among the weeds and thorns that he hadn't pulled out. The thorns grew faster and taller than the seeds, so the seeds couldn't get enough sunlight and were choked out by the thorns.

Finally, some seed fell on the good soil that the farmer had worked and dug holes for the seed to go into. Those seeds made plants and those plants produced lots and lots of vegetables.

It's just like when you're listening to a Bible story. Every Bible story you hear is like planting a pretend seed in your mind. The seed is a story about Jesus and as you learn more, the seed grows and gets bigger and you eventually will know lots about God and be able to tell others about Him.

If you hear them talking about Jesus but don't understand, you need to ask questions. If you don't ask, you will forget what you learned and it will be like the seeds that fell on the path that were eaten by the birds. You will forget and the seed will be gone from your mind and it won't grow.

So if you stop learning about God, the little seed that was planted in your mind won't grow and it will be like the seed that fell on the rocks. It grew only for a short time and then it died.

The next seed is the one that was choked out by the thorns. This can happen when you hear a lesson about God and then you start to worry about all kinds of things. By worrying, you choke out the seed in your mind. Pray to God instead of worrying!

The last seed is the best, it fell on the good ground. If you learn from what you hear in Sunday School and church, the seed in your mind will grow. You will be able to tell others about how great God is and they will turn to Christ. Instead of growing a garden, you will be helping others know God. What a wonderful garden you will have grown!
